March 15,1949

Dear Bobbie,

In relation to the conference that we had discussed previously, Mt. Holyoke, Amherst, and the Univ. of Mass. have decided to meet Sat., March 19th, 1949 at the Univ. of Mass., in the Seminar Room of the Old Chapel at 2:30 p.m.

It is preferred that the representatives of the respective stations consist of the station manager, the production director, the technical director, and the public relations director or publicity director.

This informal meeting will consist of discussion on the possibilities of forming a network by means of telephone lines, exchange programs, and other problems common to all.

Cordially yours,
